2019: All-GAC honorable mention team. Wrapped up a stellar career which saw him go over 1,000 yards receiving. The senior finished with 34 catches for 384 yards and four scores on the year including numerous highlight reel catches all season long. McGraw had at least one catch in every game this season and had four or more catches in four contests this year. His biggest impact came against Southeastern on the road. Though he only had four catches for 35 yards, two of those came on impressive jump balls that resulted in touchdowns including what would be the go-ahead touchdown late in the game to complete a furious comeback.
